

Please complete form Electronically and click 'Send To Marlab' or email to [websamplepickup@marlab.global](mailto:websamplepickup@marlab.global)

## Instructions

By completing this form and using the send button, you will generate your shipping documents. These will be emailed to you within 30 minutes, allowing you to print the documents and include them with your samples. This can usually be done at anytime prior to your bunkering operation. It will also inform our courier who will collect the samples from your stated location.
